More than 20 people showed up at the Martin Luther King Center in east Wichita Falls to be part of the presentation.

Wichita Falls Police Officer Jeff Hughes said that they wanted to make sure the folks out there were aware they were doing everything to take away the opportunity from a bad guy.

Hughes reminded those in attendance that their homes outside presentation could be an open invitation to criminals. One of the biggest ways to prevent crime, according to Hughes is to use CPTED. Also known as Crime Prevention Through Environmental Design.

“The biggest site, that we are dealing with now, that we are endorsing fully, is Nextdoor and it’s simply just nextdoor.com,”

The site is free and helps locals set up a Virtual Community that they can interact with from the comfort of their own home.

"With www.nextdoor.com it all happens in a web based program where if you send something out it gets to that group or that person instantly, they will get an alert on their phone or an email," said Hughes.

According to Hughes, he has already seen a positive impact locally from the site and hopes it can continue to expand in Wichita Falls.

Passage 2

Three Kinds of Goals

There are three kinds of goals: short-term, medium-range and long-term goals.

Short-term goals are those that usually deal with current activities, which we can apply on a daily basis. Such goals can be achieved in a week or less, or two weeks, or possibly, months. It should be remembered that just as a building is no stronger than its foundation, long-term goals cannot amount to very much without the achievement of solid short-term goals. Upon completing our short-term goals, we should date the occasion and then add new short-term goals that will build on those that have been completed.

The intermediate goals build on the foundation of the short-term goals. They might deal with just one term of school or the entire school year, or they could even extend for several years. Any time you move a step at a time, you should never allow yourself to become discouraged or overwhelmed. As you complete each step, you will enforce the belief in your ability to grow and succeed. And as your list of completion dates grow, your motivation and desire will increase.

Long-term goals may be related to our dreams of the future. They might cover five

years or more. Life is not a static thing. We should never allow a long-term goal to limit us or our course of action.

26. Our long-term goals mean a lot ____.

- A. if we cannot reach solid short-term goals
- B. if we complete the short-term goals
- C. if we have dreams of the future

答案：B

27. New short-term goals are built upon ____.

- A. the goals that have been completed
- B. your achievement in a week
- C. current activities

答案：A

28. When we complete each step of our goals, ____.

- A. we will win final success
- B. we are overwhelmed
- C. we will build up our confidence to achieve success

答案：C

29. What is the main idea of this passage? ____

- A. Life is a dynamic thing.
- B. We should set up long-term goals.
- C. Different kinds of goals in life.

答案：C

30. Which of the following statements is wrong according to the passage? _____

- A. Life is a static thing, thus never allowing a long-term goal to limit us.
- B. The long-term goals cannot amount to very much without achieving short-term goals.
- C. The intermediate goals build on the foundation of the short-term goals.

答案：A
